EXPRESSIONS OF INTEREST CLOSING MON 23 OCTOBER 4.30PM. Brilliantly designed by architect David Norman, this awe-inspiring up to 4 bedroom 3.5 bathroom rear sanctuary is a tropical oasis showcasing a stunning solar heated pool and is superbly positioned in an enviable location. A bespoke design, this light filled dream enjoys an amazing open plan living and dining area with 2-storey void, luxe kitchen, a downstairs main bedroom suite, an upstairs children's domain and the enviable poolhouse that's ideal as a 4th bedroom (robes and ensuite), home office or an entertaining room by the pool. Moments to Hampton Street shops, train and beach.- Expansive living and dining areas with custom joinery- Designer kitchen with walk in pantry- Bi-fold doors to a travertine entertaining area and solar heated pool- Huge double glazed picture windows framing the garden beauty- Solar heated fully tiled pool with outdoor shower and garden lighting- Polished concrete floors with hydronic underfloor heating, impressive ceiling heights- Gorgeous gardens with towering palm and tropical colour- R/C heating/cooling split systems, ceiling fans, solar hot water and double auto garage- Metres to Hampton Street cafes, restaurants, boutiques and train- Moments to the beach, primary and secondary schools
