It is a Queensland Government COVID-19 REQUIREMENT that EVERY tenant who wishes to enter the property must register for any inspections. This means if you are bringing a flatmate, partner, friend or relative to the inspection, they ALSO MUST REGISTER. According to <https://www.healthdirect.gov.au/covid19-restriction-checker/retail-and-sales/qld> Real estate agents must keep a record of names and contact details to assist with contact tracing if required. No more than 1 person per 2 square metres can attend an inspection, open home or auction. For us to manage these requirements, we must have every adult wishing to enter the property register for the inspection, as we need to have an accurate count of tenants attending so we also can fit within the requirements of number of people inspecting per square meterage of the property. Arranging an inspection is easy. To register for an inspection, you can access the appointment page directly from this listing and then by clicking the "Request an inspection time" or Book an Inspection Time" icon, or sending us an enquiry. If you do not register for an inspection you will not be informed of any updates, changes or cancellations for your appointment, and you may be declined access at the allocated time for the inspection if we have capped the number of occupants to meet with current COVID-19 government requirements. It is our wish to show you through the property at the time that is most convenient for you, so please register! If you wish to apply in advance, we accept online "1Form" applications via the apply online link. You must read the terms of the Tenancy Agreement prior to applying for the property. A copy is available on request.
