Packed with features, this single-level villa is perfect for professionals and those looking to downsize in a well-established neighbourhood close to everything that counts. Low-maintenance living at its brilliant best, the home's stylish interior comprises three double bedrooms (all with built-in robes), master ensuite and separate central bathroom, light-filled open living/dining area complemented by a stone-top kitchen with soft-close drawers and finest appliances. Add to this ducted heating and evaporative cooling, water tank, polished hardwood floors, double-glazed windows, LED lighting, plus remote double garage with internal entry and sizeable (but low maintenance) rear courtyard.
