If you are looking for a home that is going to tick all the boxes then look no further than this stunning townhouse. The flowing floor plan consists of a spacious open plan kitchen and living room which adjoins the equally spacious dining area. The well-appointed kitchen complete with island bench and abundance of cupboard space plus stainless steel appliances and modern light fittings, and will surely impress. The master bedroom, located on the ground floor comes complete with ensuite featuring double basins and a huge walk-in robe. The flowing design offers convenience and options, compared to traditional floor plans. Ground floor also features powder room, internal garage access and generous laundry with external access and plenty of cupboard and bench space. Upstairs boast two more huge bedrooms, both with built in robes. The upstairs bathroom is very spacious, with a separate bath tub. Luxuries include gas ducted heating, quality light fixtures, dishwasher, rainwater tank, double garage with remote control, colorbond fence, low maintenance garden and much more! With easy access to Westfield Knox shopping centre, primary schools, Studfield Shops and Wantirna College, this is sure to impress!
