This near new light filled apartment is set back in a boutique block of only eight units. There are oak floorboards in the living areas, floor to ceiling glass panels, split system air conditioning in the living room and both bedrooms. The master bedroom has an ensuite, both bedrooms have built in wardrobes. The modern kitchen has stone bench tops, ample cupboard space and Miele appliances including gas cook top and dishwasher. There is a European Laundry with trough. NBN is connected. Private balcony perfect for entertaining. Positioned paces from Kew Junction, every convenience has been considered including a secure basement car parking space, bicycle storage, allocated storage cage, secure entrance lobby with security cameras in common areas, lift access, Nest security intercom system as well as 3-Phase charging ports available to all residences. This desirable location is also within close proximity to an impressive array of restaurants, shopping and entertainment opportunities. Accessibility options abound with a multitude of public transport including tram 48 & 109 at your doorstep, promising residents the ability to access Melbourne with ease whilst still being only 6km from the CBD. With only 8 residences, this boutique carefully conceived development won't last long. Washing machine, dryer, microwave and fridge can be included for \$1000 extra per annum.
