3 on the Block – No Active Body Corp! When you inspect this lovely home, you'll be suitably impressed with the features and space it has to offer. While many other 1-bedroom homes feel pokey and cramped, this home has many boxes ticked including, a separate single garage with storage area, plenty of off-street parking and an open plan lounge/kitchen and dining area. The back yard is very large for this style unit and extends right around the rear of the home where there is a clothesline, paved area, and you could have your own vegetable garden as well as build a covered area ideal for outdoor entertaining. Heating and cooling are taken care of with the 2 split system A/C units, and there is a gas hot water service. It's a superb location within a short drive to Waverley Gardens, Dandenong Market and Noble Park, also close to Harrisfield Primary, Harrisfield Shops, the M1, Eastlink and buses travelling along Princes Hwy. Recently repainted, all you need to do is move your furniture in and enjoy life! Call Now! Terms: 10% deposit. Balance 30/60 days
