Ready to downsize but still want room to move? These beautifully presented brand-new units feel more like compact homes than traditional units. These homes enjoy their own street entrance and have no common ground, which is always an issue! Each unit has an open plan kitchen/living area, two generous size bedrooms, and two bathrooms, the mains with a standalone soaking tub. Features include: • Italian appliances • Daikin ducted heating/cooling • Double garage with remote • Floor to ceiling tiles in bathrooms • Frameless shower screens • On trend light • Fully landscaped • Garden shed • First homeowner's grant of \$30,000 available til 1st July 2023 (for eligible applicants) Arguably the best unit on the market today! Realistically priced, open homes in early January if not sold prior. Please note pricing is for each unit. Call Scott now to arrange your inspection.
