\$686,500

Why lead a complicated lifestyle? Especially, when something like this ultra-low maintenance, well-positioned unit offers such great value. Shopping town is well within walking distance, as are several other facilities, PLUS quick access to the city is assured via the Eastern Freeway. The bedrooms, both with built-in-robies, are serviced by a well-kept bathroom, while the living areas are more than sufficient with the generous lounge/dining room provid-ing a terrific spot to enjoy the company of friends, and a place to read the pa-per with your morning coffee in the meals area beside the light filled kitchen. Surprising as it may be, you'll even find a nifty backyard with private access to the lock-up garage plus an additional car space for your visitors. No com-plications here, just one very good reason to pick up the phone and speak to us today.The Features:- Zoned for Prized Koonung Secondary College and Birralee Primary School- 2 Bedroom Spacious Unit in the Heart of Doncaster - Walking to Westfield and Asian Supermarket, cafes, and restaurants - Bus Stop at the Doorstep and 1 turn get to M3 Freeway
