How sensational is the location we're offering. A very small complex (4) so very close to all the beaches, restaurants and entertainment options Mooloolaba offers is surely enough reason to visit this property alone. With nothing to spend prior to moving in, this lovely 2 bedroom apartment on the ground floor also boasts air conditioning in all bedrooms and the living room. Truth be told, you're so close to everything you'll probably be spending more time at the beaches rather than at home. A healthy sized kitchen overlooks the living and dining room and there should be plenty of room to create any culinary masterpiece you wish to set your mind to. • All new electrical lights and fans • 250 litre hot water system and new stove • Reverse cycle air conditioning in all rooms • Fully tiled throughout • Renovated bathroom • Privately screen front entrance • Pet friendly complex • Secure car accommodation plus room for an extra vehicle (off street parking)
