An impressively elevated façade is a prelude to the multiple levels of space and sophistication in this modern townhouse. Freestanding with no common walls and in a boutique cluster of five homes, the home cleverly capitalises on natural light and a welcoming open plan design in an end of court setting. Elegance is highlighted in a separate sun soaked living area framed by plantation shutters and laid with engineered oak floors that continue to add a tone of high quality throughout. Merging with open family/dining delicately framed by sheers for added privacy. Cook with absolute confidence in the gourmet Caesarstone island kitchen, 900mm Bosch oven, 5-burner gas cooktop and a dishwasher, enhanced by a chic subway splashback. Extending directly to a private timber decking and secured courtyard for relaxed gatherings and fun celebrations with friends. Accommodating a growing family with four robed bedrooms, including a zoned master with WIR and fully tiled, dual vanity ensuite plus a separate powder room. The children's bedrooms upstairs offer a landing study nook and share a stylish bathroom with rainfall/hand-held shower, bath and sep WC. Further providing gas ducted heating and cooling, quality carpet, laundry and storage, a water tank, internal access door to under-house storage and a double remote garage with direct entry. Only a few easy footsteps to Bullen Street and Doncaster Reserves for sport and play facilities and Jackson Court Shops for an array of great cafes and restaurants. The 902 and 907 buses deliver you to the suburbs, incl Box Hill or the city via the Eastern Freeway. Zoned to Doncaster Gardens Primary and Doncaster Secondary College. Excellent access to Westfield Doncaster with arguably the best shopping and entertainment. For those seeking a low maintenance home with extra comfort features and abundant space, inspect this excellent townhouse without delay.
