Centred between Highett's hospitality and Southland's retail-therapy, this secluded single-level rear home is a sun soaked oasis; from its picturesque picket-fenced front yard to its sun-drenched northerly rear garden! Fully renovated, filled with light and one of just two, this two bedroom, dual zone design has formal living opening to a paved, pebbled and landscaped front garden, a kitchen-casual area opening to decking in a northerly wraparound rear garden, and robe-fitted bedrooms - each with their own garden-outlook. Styled with a quality kitchen with 900mm oven and Bosch dishwasher, this stylish reverse-cycle air-conditioned home features a 5 Star bathroom sparkling with a skylit egg-bath beside the fan-cooled master bedroom...and designer detail including cool coastal-style wideboard floors, sleek stone benchtops (waterfall-edge for the kitchen), and quality block-out blinds (for virtually every window). Even the outdoors have a designer edge with bluestone pavers stepping to the front door, broad lawns flowing through the hedged north-facing garden and handy side-way access wrapping around the secure through-access garage. Live a single level lifestyle and indulge a green thumb. A garden oasis to entertain and enjoy. Fit for kids, pets and an entertaining life within a walk of it all. Find your oasis between William Fry and Highett Reserves, 500m to Southland, and a similar distance to the Highett Rd hospitality strip and station!
