The final release at Polaris 3083, NOVA introduces a series of contemporary and heritage residences. The natural axis of the site with a pedestrian spine running from the historic 'front door' on Galileo Gateway through to Nova Circuit. With landscape pockets providing an intimate outlook from the homes, interiors effortlessly blend with the outdoor living of balconies and courtyards to create an expansive, luxurious sense of space. Inside you will find a spacious 3-bedroom home, designed to maximise comfort, creating a low-maintenance lifestyle. This residence features a beautiful array of finishes, including large format tiles, feature timber accents, and wool blend pile carpets. The kitchen and dining area opens up to the first-story terrace, allowing for ease of indoor and outdoor entertaining. The three bedrooms and bathrooms are also on this level, allowing for the ideal single-story living scenario. On the ground floor, you will find the double garage. Enjoy stress-free commuting with a network of quick transport links right at your door. The tram is at your doorstep with direct connectivity into the CBD. Spend your days off at local markets, or participating in weekend sports and family bike rides. Take in a round of golf or a day of shopping before a delicious dinner in the town centre and a short stroll home.
