This beautiful low maintenance property is a short walk to the beach and the walking path to town. On the first level is an open plan lounge, dining and kitchen with original hardwood floors. Off the lounge is a north-west facing balcony with views of the hills. The spacious lounge area has reverse cycle air-conditioning, a ceiling fan and block out blinds for the large windows. Between the lounge and the dining is a light filled study nook. The large dining area with ceiling fan overlooks the backyard and leads to a rear entertaining balcony with sea views. To the right is a gleaming white contemporary gourmet kitchen with Caesarstone benchtops and streamlined touch-to-open cupboards. There is a Dishlex dishwasher and a stylish Ilve electric stove with an induction stovetop, large pantry and cupboard space, and views through the large windows to the sea. At the top of the hardwood stairs is a small bathroom with shower, toilet and vanity. Downstairs there is a tiled entry and hall with an under-stair cleaning cupboard and linen cupboard opposite. The master bedroom to the right is bright with a large window and large built-in robes, carpet and block out blinds. Similarly, the second bedroom has a large window, built-in robes and carpet. Opposite is the large central bathroom with bath, overhead rain shower and handheld shower, vanity, toilet, and floor to ceiling tiles. The rear carpeted bedroom is spacious with huge views through the sliding door to the garden. There are large sliding storage cupboards at the end of the hall, and a door to the nicely laid out low maintenance rear garden with washing line. The side garden has a hot and cold shower, a place for hanging wetsuits, electric hot water cylinder and a garden shed. This leads to the single garage with rear and front roller doors. The front garden is tidy and inviting. Nicely styled, this property is all class!
