This immaculately presented federation-inspired beauty framed by stunning gardens will enthrall those seeking low-maintenance living that doesn't compromise on space or style. Stunning Tasmanian Oak floorboards flow throughout the abode, with a well-considered floorplan allowing for a range of living situations. At the entry is a spacious living room that is light-filled and offers beautiful garden vistas. The home's master bedroom, which boasts a fully renovated ensuite, a walk-in robe, and a private deck, is in close proximity, while the remaining two bedrooms and a luxurious central bathroom with a deep soaker tub are located at the rear. Between these two zones is a large open-plan space forming the home's heart. Here, you'll enjoy a family room, a dining area, and a large contemporary kitchen with stone benchtops, stainless steel appliances, and an abundance of storage options. Adjacent is an inviting outdoor space, an expansive deck that is framed by lush gardens, creating a wonderful area for outdoor endeavours and fun with family and friends. The home, which is on its own title, has a range of additions that create an additional layer of appeal. These include gas ducted heating, evaporative cooling, discrete window coverings, a double lock-up garage, and a location that is rich in desirable amenities. You're near local buses with rail links, Eastlink, a variety of shopping precincts such as Wantirna Mall, Studfield, and Westfield Knox, open green spaces like Schultz Reserve, and a number of schools including Regency Park Primary and Heathmont Secondary College to which you are zoned.
