Expressions of Interest

The epitome of beachside luxury is encapsulated in this epic ground-floor apartment in one of Forster's favourite complexes. It's spacious, it's stylish, it's metres away from the beach... need we say more? Well, there's so much more to say about this gem of a property! Being located on the ground floor bestows upon it one incredible advantage – the sprawling, massive, fully tiled outdoor courtyard. Accessed via sliding glass doors from the living area & bedrooms, this is indoor-outdoor living at its finest. It's the perfect spot for outdoor dining, entertaining or just taking in the crisp ocean air! Indoors, your living is centred around the open-plan living room, dining area and kitchen. Air-conditioned, it features timber floors in the kitchen and thick carpets in the living areas. The kitchen is a chef's delight, with high-end appliances, stone benchtops and ample workspace thanks to the large breakfast bar. There are three generous bedrooms in the home, each with access to the courtyard. Two have built-in robes, while the master has a roomy walk-in wardrobe and an ensuite bathroom. It shares a similar modern aesthetic with the main bathroom, which has a spa bath, shower and vanity. There's an internal laundry too, which is a useful and convenient touch! A secure underground parking leads you to your single lock-up remote garage & a separate storage room. Speaking of convenience, the Le Point complex is a literal stone's throw from both Pebbly Beach and Forster Main Beach, while the centre of town is a short walk away. Restaurants, cafes, amenities and shops are all on your doorstep! This is coastal living at its peak. The JKL team would love to answer your questions or show you around the property. This is an opportunity not to be missed!
