\$572,000

Tastefully enhanced with contemporary appeal in a sought-after location on the Preston fringe, enter the market in style or secure a solid blue-chip investment with this bright and stylish two-bedroom unit. Its smart single-level design and favourable low-maintenance rear courtyard draws downsizers into the picture, while every category of buyer will admire the polished timber floorboards that flow underfoot, desirable high ceilings and privately zoned bedrooms, which are fitted with built-in robes. Loads of light and a flowing sense of space defines the radiant open-plan living, overseen by a modern kitchen styled with quality stainless steel appliances, roomy benchtops and plentiful storage. A central bathroom reflects the unit's commitment to style, while split-system heating/cooling, separate laundry, ample storage and a single lock-up garage are further highlights. Capping off this perfect find is its unbeatable lifestyle location, which is within easy walking distance of Plenty Road trams, Summerhill Shopping Centre, local shops and cafes, McComas Street Playground and Holy Name Primary School and moments to Northland Shopping Centre, La Trobe University and Bundoora Park.
