A premier Macleod pocket and blissfully quiet location set the scene for lifestyle success with this superbly proportioned three bedroom two bathroom residence privately positioned to the rear in a well-maintained complex of only two with no body corporate. Size is a significant attraction with this property that sounds like a unit but is in reality a spacious family home that delivers two distinct living domains and alfresco entertaining in a low-maintenance setting that does not compromise on space or quality. Bedrooms are privately zoned and share two pristine bathrooms, master with an ensuite and family bathroom with a spa bath, while the living zones are light-filled and spacious. Double doors open to a huge lounge flooded in natural light while family living and dining is equally impressive, with sliding doors to a covered alfresco area and minimal maintenance gardens that present an outdoor space that invites entertaining. The Bosch/Fisher&Paykel appointed kitchen with its incredible storage and endless counter space will appeal to keen cooks, while an alarm, ducted heating, split system a/c, ceiling fans, garage with remote and internal entry plus off-street parking ensure you lack for nothing. An easy-care lifestyle opportunity in a house-like setting near Macleod's premier pockets, close to parklands, Macleod Village shopping and cafes, Macleod Station, buses and quality schools, inspection will impress.
