A leafy streetscape nearby Magpie Park creates a picturesque and peaceful setting for this stylish contemporary residence. At the rear of just two with no body corporate, the light-filled and generously proportioned dimensions provide idyllic low maintenance living just a short stroll to Maling Road. With timber floors underfoot and northern light throughout, a wonderful ambience is immediately established in the expansive living and dining room. Served by a superbly appointed kitchen with stainless steel appliances, the living space opens through two sets of French doors to an entirely private northwest wrap around garden, ideal for al fresco dining. Timber floors continue through the exceptionally spacious downstairs bedroom with French doors to the garden and a stylish bathroom. Beneath vaulted ceilings upstairs there are two additional double bedrooms with robes and a second bright bathroom. In a blue-chip location between Riversdale and East Camberwell stations, it's close to elite private and public schools including Camberwell High and Canterbury Girls College as well as Riversdale Rd trams, the Anniversary Trail and Camberwell Junction. Features includes zoned RC/air-conditioning, Euro-laundry, lined roof storage and internally accessed double garage.
