Welcome to 2/582 William Street, Mount Lawley. This newly partially renovated ground floor apartment is one of only 6 in this prime location. What stands out here are the bedrooms and bathroom sizes and although recently painted and benefitting from new wood look floors and carpets throughout, there is still scope to upgrade the bathroom/laundry and kitchen to add further value. The front of the unit offers a little seating area surrounded by well-established gardens. This property is also an absolute gem for an investor and will generate a high rental yield.
