\$725,000

A townhouse of inviting character and impressive quality in a desirably quiet location, this property promises exceptional success as a residence and suggests outstanding performance as an investment. Either scenario is complemented by proximity to Westona station, Harrington Square, schools and the bay. Ideal! • Living/dining defined by crisp presentation. • Timber flooring conveys contemporary style. • Open-plan kitchen with window splashback. • Stainless steel appliances, stone bench-tops. • 2 bedrooms, each instantly inviting. • Main bathroom, fully tiled, beautifully finished. • Powder room adds convenience to comfort. • Individual heating/cooling enhances each room. • Alfresco retreat, secure garage, storage shed. Designed with a sense of flair, certain to satisfy the demand for spaces that meet every modern need with an ease that's matched by elegance, this is an address that ensures enjoyment in one of Altona's most consistently sought after quarters.
