Reward yourself with an irreplaceable beachfront lifestyle in this superbly renovated 2-bedroom home, coveting a magnetic Bonbeach position with a modern coastal interior of natural textures, vibrant natural light, and high-end finishes. At its core, the open-plan living area sets the stage for elegant entertaining, with a stone-clad kitchen wrapping around a central buffet island before sprawling out to a private north-facing deck. Each of the two upstairs bedrooms boast private balconies, enhancing an opulent living experience around a central bathroom, with a downstairs laundry and powder room ensuring the utmost convenience. A serene Bonbeach setting is known for its relaxed coastal lifestyle and vibrant local dining scene, with an almost-private beach enjoying a lack of public parking that creates peace even in the busier summer months. Just metres from Patterson River and Carrum and Bonbeach stations, it features split-system air conditioning, a single carport, and an additional carspace.
