Welcome to modern living at its finest in this charming 2-bedroom unit located at 2/6 Hill Street, Frankston. Enjoy the perks of no body corporate fees while residing within the highly sought-after Frankston High School zone. Set within a boutique block of only 3 units, this property offers exclusivity and tranquility. Bathed in natural light and boasting a spacious layout, this recently renovated property is sure to impress. Perfect for those seeking low-maintenance living, this single-level unit will appeal to first home buyers, downsizers, and investors alike. Step inside to find light & bright interiors throughout. The freshly renovated interior features brand new appliances in the kitchen, including a sleek stove, oven, and dishwasher, making meal preparation a breeze. The kitchen is further enhanced by a stunning marble penny-tiled splashback, adding a touch of elegance to the space. Additionally, both bedrooms are spacious and equipped with ceiling fans, ensuring year-round comfort. Complete with built-in wardrobes for added storage convenience. This unit also boasts the convenience of a separate laundry area, providing added functionality and space. The large double garage provides secure parking for two vehicles, along with additional storage space for your belongings. But the true highlight of this property lies outside, with a huge yard providing ample space for outdoor activities or simply soaking up the sun. Don't miss your chance to make this your new home!
