Beautifully updated, this much loved home is the perfect opportunity to secure your Bayside lifestyle. Situated on a generous 374sqm (approx) block and hidden behind a secure picket fence, this property is sure to impress. From the moment you enter the home, you are greeted by beautiful timber floors and a large family/meals area off a beautifully appointed kitchen featuring stone benchtops, stainless steel Smeg appliances and ample cupboard space, which any chef would be proud of. A second living area which opens up to an undercover entertaining area, makes it ideal for bbq's and family gatherings all year round. Consisting of three oversized bedrooms, master with stunning ensuite and just as impressive main bathroom and a large home office, the home would suit all buyers seeking a low maintenance and convenient lifestyle. Superbly located minutes from Schools, Shops, Reserves, Public Transport and all the beauty that Parkdale has to offer. This truly is an opportunity of a lifestyle not to be missed.
