Positioned in a small, secure complex, this generously proportioned villa provides low maintenance living without compromise. Offering a functional layout, sun drenched aspect and handy, central location, this stunning property presents a great opportunity for downsizers, investors and first home buyers. Three spacious bedrooms, two with a built-in-robe, the main complete with ensuite. The living room is bright and airy, enjoying all day sun and flowing directly out to the rear yard. Large and open plan, this central hub of the home allows for a clearly defined lounge and separate dining area. The updated kitchen offers ample cupboard and bench space, while the bathroom is well positioned to the bedrooms and comes with a separate bath and shower. The sunny north facing courtyard consists of an entertaining area and small grassed space, fantastic for BBQ's with family and friends. A drive through lock up garage with additional storage completes a truly exciting package. Features include: - Brick construction - Ducted air-conditioning and down lights - Small complex - Drive through garage with second covered space - North facing courtyard - Plenty of storage Conveniently located close to Penshurst and Mortdale's restaurants, cafes, schools, parks and stations, this wonderful villa is sure to be popular.
