This stunning two bedroom villa is completely renovated and positioned in sought after location, walking distance to Warners Bay village. Penny Lane is a small, distinctive small complex of just four villas, in a unique storybook cottage style. Inside the home is bathed in natural light, and offers warm, contemporary styling. The modern kitchen provides ample storage, plus stone benchtops and stainless steel appliances. The bathroom is also renovated, and the internal laundry also boasts much more additional storage. The single garage drives through to the rear courtyard so there's opportunity for an additional car space, or a generous, north-facing private entertaining area. All this is set in one of Warners Bay's most sought after streets - a quiet location away from the traffic, yet highly central and walking distance to all that the bay has to offer.
