One of a boutique collection of four, this single-level unit offers the size of a house both inside and out without the associated upkeep. Step onto the welcoming covered verandah and through the front door to be greeted by a spacious living room awash with natural light from a corner set of windows. Cooking and dining become a shared experience in the kitchen, which has plenty of room to move and entertain. The two bedrooms each feature built-in robes and share a bathroom with a full bath, standalone shower, and a separate toilet. A laundry completes the interior. Head outside to be enormously surprised by an extraordinarily large, sheltered alfresco patio that promises endless enjoyment and seamless entertaining - a truly unexpected find in unit. The courtyard not only offers additional outdoor living space but also leads directly to the lock-up garage, providing practicality. The beauty of this home lies in its potential. Move in immediately and enjoy the comfort and space it offers for now and seize the opportunity to update and enhance with your personal touches at your own pace. Located with trams on the doorstep, this home falls within the Gardenvale Primary zone and is only moments from local cafés, essential services, and the Post Office. Enjoy leisurely days at nearby Princes and Landcox Parks, nearby beaches, and the convenience of bus routes to Monash Uni from North Road. Whether you're taking your first step onto the property ladder, looking to downsize, or seeking a valuable investment opportunity, it's a brilliant alternative to an apartment that will exceed your every expectation.
