A comfortable, low-maintenance lifestyle in a dependable home, surrounded by a welcoming community in a seaside location. That's Forster living, and this villa epitomises it beautifully! JKL is proud to present it to the market, but you'd better be quick to register your interest. In a popular complex of single-level villas sitting amongst lovingly manicured gardens, unit 2 shares the attractive exposed brick façade and tiled roof of its neighbours. Reliable, aesthetically pleasing, and welcoming. A front porch welcomes you in, whilst the tandem double garage provides ample secure parking space. Indoors the conscientious floor plan is centralised around the open-plan living, dining, and kitchen, where warm timber-look flooring stretches from wall to wall and air-con keeps you comfortable no matter the season. Entertainers will love this space, from the spacious and well-equipped kitchen to the sliding glass door access to the outdoor courtyard. This tiled and fenced-in area is perfect for enjoying the long Forster summer days. Three large bedrooms all come with ceiling fans & built-in robes, while the master has a handy ensuite bathroom. This complements the main bathroom & internal laundry with a linen cupboard. There is also an additional powder room and toilet. In a quiet location, you're a mere 300 metres from Stockland Forster Shopping Centre, and if you need some Vitamin Sea, you can be at One Mile Beach in under a five-minute drive! We'd love to answer your questions about this special home and its awesome location, so please get in touch with JKL today.
