The perfect example of effortless contemporary style, this striking home is a low-maintenance sanctuary of refined comfort just seconds from Mount Lilydale Mercy College, Lilydale Primary School, Melba Park and the shops and eateries of Lilydale's Main Street. Natural light defines the free-flowing design the moment you enter, with northern light streaming through the large windows from the sun-drenched open-plan living, dining and kitchen domain, linking the interiors to a neatly landscaped backyard. Retract the sliding doors and open the dining space to the peaceful outdoor garden and generous deck which invites superb alfresco dining. Enjoy the culinary ease of the gourmet kitchen, equipped with stone benchtops and premium appliances including an electric oven, dishwasher and gas cooktop. Generously proportioned accommodation comprises two restful bedrooms (BIRs), serviced by a stylish main bathroom with full-height tiling that includes a bath and shower. Additional highlights include a single auto garage, laundry, water tank, ceiling fans throughout, split-system heating/air-conditioning and ducted heating. Walking distance to Lilydale Train Station, Lillydale Lake, cafes and restaurants, this property is a rare find.
