An opportunity of a lifetime to secure an architecturally designed home in one of Gladstone Park's most sought-after locations. Flawless in every way, this property is sure to take your breath away. Offering a light and bright arrangement that compliments the low maintenance living, this flexible floorplan features 3 bedrooms. The master bedroom offers a complete ensuite and a walk-in-robe with ample space for everything that you need. An additional 2 bedrooms both offer built-in-robos. Downstairs offers a great sized living/dining area that leaves you spoilt for choice. Floorboards run throughout, high ceilings and an abundance of natural light feature throughout, with spaces carefully considered to provide the ultimate in flexibility. The modern kitchen features stone benchtops, high-end appliances and a seamless connection to the expansive family and dining room. This family home also features ample storage throughout the house, double lockup up garage, a good-sized entertainment area outside, heating, cooling, alarm system and much, much more. Located just moments from parklands, shopping centres, and freeway and airport access, the location is just perfect to call home. Take advantage of the flawless work that's already been done and capitalize on this brilliant opportunity!
