2/7 McIntosh Avenue, Hoppers Crossing, is a spacious and inviting home that offers a comfortable and well-designed living space for families or individuals. This property boasts four bedrooms, two bathrooms, a lounge area, making it a versatile and functional residence. The four bedrooms in this house provide ample space for a growing family or the opportunity to create a guest room, home office, or hobby space. These rooms can be customized to suit your unique needs and design preferences, making it a truly adaptable living space. The lounge area is the heart of the home, a place where you can relax, unwind, and spend quality time with loved ones. It serves as the perfect space for family movie nights, entertaining guests, or simply enjoying a quiet evening in. Large windows and thoughtful design elements may create a welcoming atmosphere in this room. The additional study room in 2/7 McIntosh Avenue adds a significant benefit to the property. It provides a dedicated workspace for remote work, studying, or pursuing personal projects. This room is versatile and can be adapted to meet your specific needs, making it an excellent feature for those who require a home office. The location of this property in Hoppers Crossing offers a blend of suburban tranquility and urban convenience. It may provide easy access to local schools, parks, shopping centers, and transportation options, making it a practical choice for families. Whether you need space for a growing family or a comfortable place to call home with room for a home office, this property on McIntosh Avenue offers a versatile and welcoming environment.
