Conveniently located close to the hub of Sale's business district, this well presented 2 bedroom unit is the ideal entry into the market for the first home buyer or investor. The unit has just been freshly painted throughout making it ready for you to move in straight away. The lounge room boasts a split system air conditioner and both bedrooms offer built in robes. Both the kitchen and family bathroom are in good condition so it really is an attractive proposition at a most affordable price. Outside is very spacious and private with established low maintenance gardens, a garden shed and a lock up garage for the cars. Great value on offer here!
