Designed to seamlessly blend elegance, convenience, and practicality, this modern three bedroom, two bathroom home in a highly sought-after Gisborne township location presents the ultimate in liveability. The inviting interiors embrace high ceilings and a split-level layout that creates effortless flow, maximizing natural light while embracing privacy. A spacious living area flows to a stunning kitchen equipped with a Bosch oven, a dishwasher, ample storage, and a breakfast bar, with the adjoining dining area offering glass sliding doors to the rear yard, where a delightful courtyard garden is surrounded by lush perimeter greenery and an established lemon tree. Accommodation is beautifully laid out, with a master retreat offering a perfect sanctuary, with a walk-in robe and a streamlined ensuite bathed in calming grey neutrals. Two additional bedrooms, each with built-in robes, provide perfect havens for family or guests, and are serviced by the main bathroom with a shower and bath. A remote-controlled double garage ensures convenience, while a vast under-house workshop/storage area (powered and concreted) caters to hobbies and practical needs. Also includes reverse cycle air conditioning, electric panel heating, and a large internal laundry. Stroll to Gisborne's vibrant township: shops, cafes, restaurants, schools, parks, the aquatic centre, and botanical gardens, while Calder Freeway access is also within easy reach. The height of contemporary convenience!
