\$540 per week

Renovated 2-bedroom unit located only 10 minutes' walk from the train station & shopping precinct and just a further 5 minutes from the beach this property offers everything your looking for in a home in Chelsea. Attention to detail best describes this stylish and comfortable freestanding unit in a block of only 4. Well planned design all brand-new finishes including plantation shutters, quality carpets & flooring with a modern welcoming colour palate make this property stand out from the rest. Open plan living with an abundance of natural light set the tone for the beautiful light and airy feeling the property offers throughout. Opening out to a fully paved rear courtyard set within a high walled completely private space and including a large covered area, outdoor living and entertaining is almost year-round with protection from the wind and rain. Fully powered with lighting and outdoor ceiling fan this style of outdoor area would usually only be found in an owner-occupied residence. The well-designed kitchen is very practical with ample cupboard space and modern finishes. European kitchen appliances include integrated dishwasher, 5 burner gas cook top, electric wall oven as well as a separate built in microwave. A European style laundry with additional sink and space for front loader washing machine and dryer is include in functional area. Heating & Cooling is by powerful and economical 7kw inverter split system air conditioner which is complimented by ceiling fans in both bedrooms. Security screen doors, dead locked doors and windows as well as LED touch pad alarm system provide security when home or away. Fully tiled and well-appointed bathroom with fixtures & fittings you'd expect in a homeowner's home. Both bedrooms are well sized with large windows providing plenty of natural light. Both rooms have large built in wardrobes with ample space for clothing and storage. Ceiling fans complete both rooms. Lock up garage with walk through to courtyard.
