In the heart of Airport West with close proximity to everything that counts, this contemporary townhouse is a must-see for professionals and investors alike thanks to its generous dimensions, quality inclusions and profusion of natural light throughout. An excellent design, the home's inviting interior boasts a downstairs master bedroom with WIR, full ensuite bathroom, as well as two further upstairs bedrooms (BIRs) and main central bathroom with separate shower and bathtub. Spacious and versatile, the open-plan living/dining area is accompanied by a well-appointed kitchen complete with breakfast bar, stainless steel cooking appliances and dishwasher. Other highlights of this terrific townhouse include split-system heating/cooling and additional ducted central heating, solid hardwood timber floors, full laundry and under-stair storeroom. Rounding out this package of easy-living style is a wide north-facing courtyard with large paved entertaining spaces, a very low maintenance yard and bonus of double garage (remote-control). A short stroll to McNamara Avenue cafes and shops, St Christopher's Catholic Primary School, elite schools such as PEGS, local buses and Matthews Avenue trams, it's also close to both Westfield and Essendon Fields shopping centres, LaManna Supermarket, lush parklands/trails, Keilor Road, as well as easy access to the Tullamarine Freeway and Western Ring Road.
