Located in small boutique development with an emphasis on security & privacy, this 3 level townhouse is one to inspect. Once through the front door could be your retreat from the hustle and bustle of inner city living. With a large, open plan living and dining area with an entire wall of glass opening to a spacious courtyard; perfect for entertaining alfresco. Adjacent to this is the well appointed & stylish kitchen with stainless steel appliances, dishwasher & granite bench tops. Venture up the stairs and you will find two bedrooms - main with walk in robe and sparkling en-suite bathroom (combination shower over bath, toilet and vanity), Second bedroom with built in robes and a central bathroom (separate shower, toilet and vanity). Up the stairs again and you will be dazzled by the light streaming in from all four corners of the glass walls leading out onto your very own rooftop deck, large enough for entertaining or a touch of star gazing with uninterrupted views of the city and MCG. We haven't forgotten the amenities; with central heating, air-conditioning, security alarm & basement parking for two cars (side by side) and your own internal entrance, separate laundry and an abundance of storage
