Presenting space and seclusion for couples only a short walk from town, this beautifully-maintained 2-bedroom unit stands alone with its airy interiors and house-sized proportions. Set beyond a picturesque garden entrance, an unrivalled single-level living experience is the result of a fluid entertaining footprint with low-maintenance appeal. Welcoming the warmth of northern light across the heart of entertaining, an airy interior complements private outdoor space to offer a sun-washed oasis set back from the rest of the world. Comprising distinct living and dining zones, and a central kitchen with Technika electric appliances, Fisher & Paykel dishwasher and breakfast bar, the thoughtful design opens to the rear to carry entertaining well into the evening beneath the starry night sky. Two robed-bedrooms, master bedroom with bay window, share the use of a practical bathroom complete with a separate shower and tub. A dedicated laundry with toilet access, ducted reverse-cycle air conditioning, single garage with rear pedestrian access continue the features found throughout. Perfect for retirees, investors or first-time purchasers, this cul-de-sac retreat sits only moments from good coffee, public transport, Swan Hill College and the Murray River.
