Type: Unit

Enrich Rental Team
0416466686

\$330 per week

This two bedroom unit combines modern style and design with practicality. Renovated to the highest standard, this floor plan is prime example of how to best utilise your space. The two bedrooms both contain large windows and built in robes. The lounge room is spoiled by split system heating and cooling with the ability to service the entire property. The kitchen is spacious enough to allow for a European laundry and dishwasher, whilst a central bathroom stands to service the home. Externally, the finishing components. One open car space and a little courtyard area to the front.
