This well kept unit is a pleasure to present to the market!The northerly facing living area is bright & airy, capturing plenty of sunshine and natural light throughout the day. Complimenting this lovely space is the dining area and updated kitchen which has good storage and a pantry cupboard.The two bedrooms are of a good size and have built-in wardrobes. There is the convenience of electric heating and a sunny sitting area beside the front door -perfect for a morning cuppa!The gardens are low maintenance with established shrubs. The property also offers a single powered garage and small storage room.This is a popular area and is close to a convenience store, schools and the Ulverstone pool. Approximately a 10-minute walk to the beach and with public transport just a short walk away. Close access to the highway for travelling the Coast.Inspection is highly recommended.
