The Feel: A pocket that creates a community of its own, distinct from its surroundings yet conveniently close to them – including Altona Gate Shopping Centre, freeway access, Yarraville's village vibe and the Federation Trail – complements the modern character and total comfort of this well-designed dual level townhouse, one of only three. The Facts:- The attractive exclusivity of an immaculately maintained boutique development in an ideal Brooklyn setting.- Downstairs living and dining areas defined by desirable size and superb polished timber floorboards.- A superb open-plan kitchen in a beautiful black and white, with tones of stone and stainless steel.- A dedicated study zone, storage space and powder room further enhance the downstairs dimensions. - Three upstairs bedrooms include a main bedroom accompanied by a walk-in robe and an elegant fully tiled ensuite.- Two additional bedrooms, both with built-in robes, share a fully tiled bathroom featuring a separate bath and shower.- Reverse cycle heating/cooling in each bedroom and the living area ensure constant comfort.- Low-maintenance outdoor surroundings and the added convenience of an internally accessed double garage.
