Immaculate Townhouse with all the Trimmings

Perfectly positioned on Howell Drive overlooking the beautiful township of New Norfolk and just moments from the New Norfolk Golf Club, this premium townhouse offers an enviable opportunity.

The spacious open plan living is where this home truly excels, and the brightness of the space is maximised by natural sunlight and large windows. The kitchen exudes a high-end feel, complete with quality appliances, and an attractive neutral colour scheme. The central dining space opens out onto a large deck, perfect for indoor/outdoor entertaining.

Sleeping accommodation is comprised of three great-sized bedrooms. The master suite features an ensuite. The other two bedrooms are both equipped with built in robes. The family bathroom features a sleek design with a separate bath, shower and vanity.

The rear yard is accessible from either side of the home or the deck and is beautifully landscaped, with not a thing left to do. Here you will find a purpose built BBQ hut, lush lawns, raised garden beds and even a chook pen. There is a single car garage with internal access as well as plenty of off street parking.

Howell Drive is in a premium pocket of New Norfolk with executive homes surrounding. Shops and services are a close commute and a drive to Hobart's CBD takes just 45 minutes approx, as does a journey to the airport.
