Calling all first home buyers, downsizers, young families, or savvy investors looking to secure this gorgeous residence in the heart of Deer Park. Very well maintained and presented by the current owners, a great opportunity for one new lucky owner. Sleeping quarters comprise 2 bedrooms of generous proportions serviced by a luxurious central bathroom. A great sized courtyard and single remote garage that can also be utilized as a fantastic undercover entertainment area complete the property. A host of standout features include ducted heating, split system cooling, stainless steel appliances, dishwasher, an abundance of storage options including an outside shed, blinds and so much more. The finishing touch on this absolute gem is a prime location where schools, shops, parkland and transport are only a short walk away. Inspection highly recommended to appreciate the pristine condition and luxury extra touches this perfectly presented near new great starter, downsizer or shrewd investment offers.
