One of only 4 on the block and well-presented throughout for those who appreciate an inviting living experience over a wonderful single level, this 3 bedroom, 2.5 bathroom residence needs to be at the top of your property short list. High ceilings and marble detail truly add to this home's inviting allure, and it's design with two fantastic living zones really does open the property up to a variety of purchasers from small families to downsizers. The front formal lounge and dining room is carpeted and has doors opening to the bright north-facing family and meals zone which is enhanced by gorgeous timber flooring. Step on out further through double doors and you get to enjoy all the delights of the undercover alfresco deck and manicured garden which also has northern appeal. Back inside, the kitchen is sleek and functional with stone and great storage, as well as stainless steel appliances. The master bedroom has access to a walk-in robe and stylish ensuite, with 2 other bedrooms with BIRs neighbouring the central bathroom. Other property features include a laundry with external access, ducted heating, evaporative cooling, ceiling speakers in central living, and a double remote garage. Zoned for Vermont Secondary College and Vermont Primary School, you have buses at your door and are so close to local Canterbury Rd/Boronia Rd shops, Brentford Square shops, Forest Hill Chase Shopping Centre, Stephens Reserve, Bellbird Dell Reserve, buses, and Eastlink.
