Soaked in north facing leafy privacy, this English style 2 bedroom 1st floor security apartment is warm and spacious in the prestigious Domain Precinct. Timeless with its fresh white walls, colonial windows and soft grey carpets, this beautiful abode enjoys a central hallway, a gorgeous north facing living and dining room with balcony; a clean crisp kitchen with built in timber table, gas hotplate and wide oven; 2 large bedrooms (BIRs), a tasteful bathroom/laundry and separate toilet. Quality from another time, this solid brick charmer enjoys panel heating, security intercom, white timber blinds, ample storage and secure undercover parking. Metres to the Royal Botanic Gardens for your morning jog, and walk to fabulous cafes on either Toorak Road or Domain Road for brunch with friends; great tram and train services and, for something different, enjoy an evening stroll around the lovely Fawkner Park.
