Situated only minutes from town and the best that Sandy Bay has to offer, this spacious family home gives more than many mansions. Majestically elevated to capture much sunshine and spectacular water views, it's also only a short stroll to the water's edge. The grounds are beautifully landscaped with flat lawns and also beautiful flower beds and veggie patches. The pathways and magnificent outdoor entertainment areas are even complimented with a powered pavilion and further complimented with magnificent water views. All this before we even come through the front door. You will be greeted by a spacious entry foyer and from there, you will continue to be impressed. The kitchen is so high quality that there are stainless benchtops, with a large solid timber top island bench, built in quality microwave and even two ovens. This is adjacent to a good-sized dining area with water views. The very spacious and stylish living area is so inviting and appealing with its water views and access onto the sunny balcony and entertaining areas, that you will love entertaining and enjoying family time even more. Three of the four bedrooms have a water view, and the master bedroom is also so spacious that with its walk-in robe, ensuite and own balcony, it also makes a wonderful parent's retreat with spectacular water views.
