\$680,000 - \$720,000

This charming residence is nestled to the rear of just 2. The flexible floor plan will appeal to young families, first home buyers, investors and those seeking to downsize. Filled with light, it comprises three bedrooms, spacious living overlooking the manicured north facing rear yard along with fully equipped kitchen and meals area, bathroom including bath and separate shower along with full laundry. In a quiet precinct close to Macleod or Watsonia stations, primary and secondary schools, shopping centres, parklands and Ring Road access, this inviting home includes single garage, additional off street parking central heating and split system cooling.
