\$575 per week

Number 2/9 Blackwattle Mews - is a three bedroom townhouse built in an exclusive alcove walking distance to the schools and shops and just over 1km from the main street of Torquay. The single story floor plans gives this home a wonderful flow from the inside to the adjoining landscaped gardens complete with decking and lawn. Three bedrooms, two bathrooms, one huge open plan living set off by 4m + high ceilings, garage, and separate laundry. Timber floors, stone bench tops, white cabinetry set the tone for the neutral palette just waiting for you to call home. Outside the use of timber cladding, together with rendered and brick surfaces, provides a softening against the vegetation and back drop to the walking track that conveniently sits behind the property boundary. Don't miss out on this rare opportunity to call home in one of Torquay's best hidden addresses.
