A separate study/formal lounge sits at the front of the home and could be used as a 5th bedroom, while sliding doors extend from the open plan domain onto a splendid entertaining deck and good-sized courtyard that's ideal for young children and pets. Adding convenience on the ground floor, the master bedroom boasts built-in-robies plus ensuite effect access to the dual vanity bathroom with toilet, while the upper level consists of a retreat with bamboo floorboards plus three extra bedrooms, all with built-in-robies and one with balcony access.
