This well presented, excellent size 2 bedroom villa features entrance into living room with reverse cycle heat pump, through to separate dining and kitchen with plenty of cupboard space. The bedrooms are a good size with both having enough space for queen beds with extra walking room, and both have built-in robes. The property also features the convenience of 2 way bathroom, with separate shower (although no bath) and the toilet is separate. The laundry is situated off kitchen with back door leading outside to a concreted area. Outside one will find lovely low maintenance grounds, with garden shed and a carport at side. The villa is very private, being only 1 of 2 units on the block. 12 month lease offered Sorry pets not accepted
