Presenting an opportunity in a peaceful and convenient location, designed for secure, low-maintenance living and delivered in style. Located in a quiet tree-lined street, within walking distance of the Ormond Road and Garden Street shops and cafes, Eastern Gardens, local schools, parks and reserves, 5 minutes (approx.) from the medical precinct, CBD and Waterfront, this location places you on the doorstep of all the best attractions of the East. Set back from the road, the home enjoys a private and secluded setting. Inside, a modern colour palette and contemporary flooring offer a stylish theme throughout. Off the entry, an open plan kitchen, dining and living area provides a light-filled space for everyday living and entertaining, with split system heating and cooling keeping you cosy or cool throughout the seasons. The well-equipped kitchen features a 600mm freestanding oven and cooktop, dishwasher, excellent storage, and raised breakfast bar. Glass sliders open up from the living to an undercover alfresco for an effortless indoor-outdoor flow, extending out to a sun deck and low-maintenance gardens. An adjoining second living area provides a versatile space to relax, retreat or work from home with generous built-in storage. The bedroom zone offers three rooms with built-in robes, serviced by a modern bathroom with spacious walk-in shower and separate powder room. A second bathroom and wc off the laundry accommodates harmonious use of amenities for the household.
