Located just around the corner from Piper Street and a mere short stroll to the main street shopping precinct, this low maintenance townhouse is set amongst a group of 5, and in a private and popular position. Featuring a spacious, open plan living area, a newly appointed bathroom and laundry, new carpet in the bedrooms (both with built in robes) and new vinyl-timber flooring, and, having been freshly painted throughout, there is nothing to do but simply move in and enjoy. Outside there is a single lock-up garage and an easy to maintain, private backyard. Perfectly suited to those looking to downsize, for their first home, or to invest, this offers a low maintenance and affordable opportunity, close to the heart of town.
